Dear Pat:

I was glad to get your very "official" letter concerning the nomination of Dick Helms for the Rockefeller Public Service Award in the field of Foreign Affairs. I seem to remember your letter of last June, but for the life of me I cannot lay my hands on it. I don't know what has happened to it as we usually are most careful in handling of correspondence.

In any event, I will certainly be most prepared to back up the nomination as soon as I hear from Dr. van de Velde. The only problem is that I have already this year sent a supporting letter in for Alex Johnson and I don't know that you can do it for two in the same field. However, I will certainly do everything I can as I think Dick is really entitled to this award, which incidentally is worth considerably more than when I got it three years ago.

I am sorry to learn from your letter that you are about to turn in your suit and wonder what you intend to do. I imagine return to the Army. In any case, all best wishes for whatever you will be doing and in the hope that we will meet very soon,

Yours,

*Cliff*
